Attention Certificate of Correction Branch		

Dear Sir:

This is a Request for a Certificate of Correction due to USPTO error. Attached is Form PTO/SB/44, which details the correction to be made.

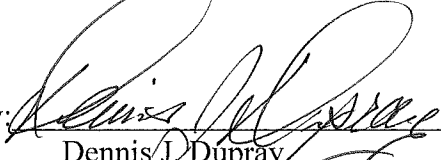

The above-referenced patent was published without the attached Appendix to the specification. Entry of the attached appendix was requested with the filing of an Amendment and Response on February 25, 2004, wherein this appendix is a copy of U.S. Provisional Application No. 60/264,149, filed January 24, 2001, to which the present patent claims priority and, which is fully incorporated by reference in the first paragraph of the present patent. Please note that this Amendment and Response can be obtained from the USPTO/PAIR website at <https://sportal.uspto.gov/secure/myportal>. Further note that this Amendment and Response which can be found on USPTO/PAIR website contains the USPTO "OIPE" stamp verifying receipt on February 25, 2004.

Please re-print the above-identified U.S. patent with the attached Appendix. The Appendix should commence immediately after Column 13, Line 49 of the currently issued incorrect printing of the above-identified patent.

While the Inventors' Representative believes that no additional fees are due with the filing of this Request for Certificate of Correction Due to USPTO Error, the Inventor's Representative hereby authorizes the charge of any fees deemed necessary to Deposit Account No. 19-1970.

Respectfully submitted,  
SHERIDAN ROSS P.C.
